6.2.2 Implementation of e-governance in areas of operation

1. Administration

2. Finance and Accounts

3. Student Admission and Support

4. Examination

Response: A. All of the above

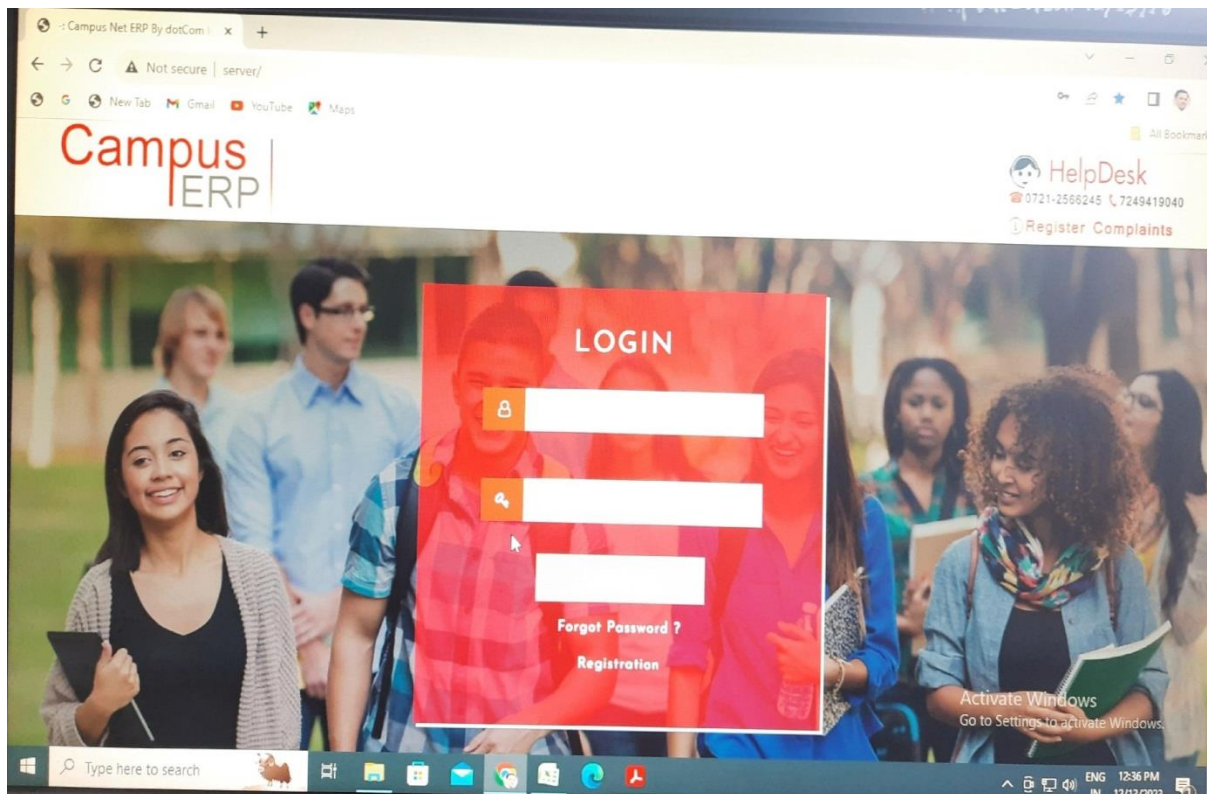

Administration: - The College staff use campus ERP software to maintain records of students, admission. The data includes information such as name, address contact number, email and academic records. In the period of covid-19 pandemic all the administration works are performed online mode.

Finance and Accounts: - The financial records are maintained using MS-office and Tally by the accountant. The salary slip and other essential financial information are provided to the staff using e-governess tool. Hte Sevaarth software is used for making salary bills.

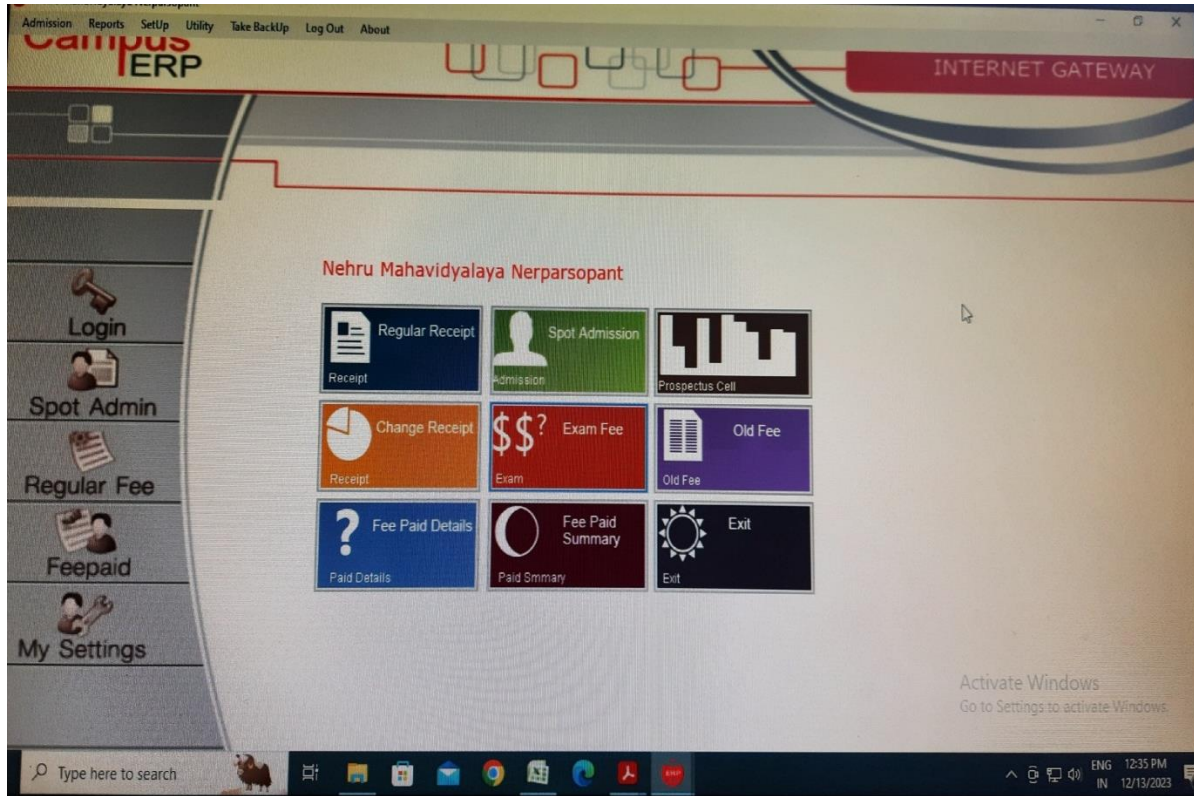

Library:- The library has adopted SOUL 2.0 library software repository, which helps the staff to search for physical and digital resources such as books and journals. Library has adopted OPAC system which is also helpful to search books by its author name, access number and subject name for user. Library has INFLIBNET e-resources N-list where students search online magazine resources. For the presentation library has equipped large LCD screen. We provided 02 computer having internet accesses for students.

Examinations: - In covid-19 pandemic physical attendance was not possible at that time the examinations were taken by online process. Teachers provided e-learning materials using various platforms to help students continue learning during pandemic. Hall tickets and other exam related documents are provided to students using e-resources.

Campus ERP software use for store students data in a college.
